### Area Entries:

*Athletes shall qualify to the NCS Class A/Area Championships based on times or distances achieved in the finals of their league's qualifying meet.* Any competitor or relay team that is disqualified from an event during the league qualifying meet may not move on to the next level of competition in that event. A league may only submit qualified entries to advance to the next level of competition regardless even if they do not fill their allotted number of entries.

### 27.403H CLASS A At-Large Entries

At-large qualifying marks for CLASS A track meet. Each year based on the average 8<sup>th</sup> place finisher's mark over previous three years. *The mark must be established during the finals only at their respective league championship meets.* If an athlete finishes as an automatic qualifier based on finish order, then the qualifying mark standard would not apply. The Class A At-Large qualifying mark achieved and the respective league meet may only qualify the individual to the Class A meet. EXCEPTION: Class A schools that participate in large school leagues will be allowed to use the at-large qualifying times to qualify for the next level during the trials or finals at their respective league meet
